FLAGSHIP CERTIFIED PROFESSIONALS

Students completing a Flagship program will take their place among the next generation of global professionals by leveraging their superior language and cultural skills in federal and state governments, global businesses, and nongovernmental organizations.

FLAGSHIP FEDERAL SERVICE INITIATIVES

Boren Flagship Scholars are Flagship students interested in government service who apply to the David L. Boren Scholarship to fund the Overseas Capstone Year—cultivating professional language proficiency and producing high-quality candidates with a federal service opportunity.

The ROTC Flagship Initiative is a scholarship program, which focuses on the strategic language and culture needs of future U.S. military officers through Flagship domestic and overseas programs.

OVERSEAS FLAGSHIP CENTERS

After completing a Domestic Flagship Program, students who demonstrate high-level language proficiency participate in an Overseas Capstone experience, all of these intensive programs include:

- Direct enrollment at overseas universities
- Homestay opportunities
- Professional internships that require high-level language use in their career field

LANGUAGE FLAGSHIP MISSION

The goal of The Language Flagship is to change the way Americans learn languages. Flagship leads the nation in implementing both domestic and overseas advanced language instruction at the undergraduate level with the expectation that all Flagship students can achieve professional-level proficiency in a language critical to U.S. national security and economic competitiveness.

DOMESTIC FLAGSHIP PROGRAMS

The Domestic Flagship programs allow students from all academic majors to pursue meaningful language and culture development alongside other academic pursuits through:

- Intensive language instruction
- Individual and group tutoring sessions
- Immersive learning environments
- Cultural activities and events
- Assessments tracking language acquisition progress
- Summer domestic and overseas programs for maximum language and culture exposure
